## **sumutus: finnish video poetry**

on 9 may, the vienna poetry school hosts an evening of lecture, videos and performances of finnish video poetry.

**video poetry**, the fusion of poetry and experimental film, is a young and quickly growing art form. at the sumutus-evening a selection of video poems will be shown. finnish poet mari laaksonen and austrian poet & performer oravin host this evening and introduce, after a short overview of the art of video poetry, the individual artists and their work. the evening will flow into an audio-visual performance about the work of the finnish poet harry salmenniemi.

**sumutus** is a new platform for finnish and international audio-visual poetry. the event at the vienna poetry school takes place as part of a small video poetry tour through austria and germany in april and may 2014. in november 2014, sumutus organises a festival of audio-visual poetry in jyväskylä in central finland:
